

CANTON MYSTERY MAY SOON BE SOLVED

Albert Lukens, Millworker, Arrested on Suspicion of Being Murderer of Elizabeth Brown

Hammer With Which Crime Was Committed Identified—Lukens Was Slayer of Mrs. Julia Stiegler.

Canton, O., Jan. 10.—Albert Lukens, formerly of Cincinnati, and once convicted in that city of manslaughter, is the suspect under arrest on suspicion of being the murderer of Elizabeth Brown, and whose identity the police refuse to reveal. Some years ago Lukens killed a Mrs. Steigler in Cincinnati, and after a jury disagreement pleaded guilty to manslaughter on his second trial. After serving his sentence he came to this city to work. He was an admirer of Miss Brown, and it is alleged with her on the night of the murder. He denies this, but five persons, four of them women, assert that he was with her at "The Tavern," hotel and saloon.

The chief point of evidence against Lukens is the identification of the bloody hammer with which the girl was killed. It was found near her body, and bore the initials "H. F. R." Last night H. F. Reuse, who lived in the same house with Lukens, claimed it as his property.

Two other suspects are under arrest, George Tindale and Willard White. What evidence the police have against them has not been revealed, but they are held, despite the protests of their attorneys.

Lukens was today confronted with the skull of the murdered girl, still blackened with clotted blood, in an effort to break him down. He handled it with only slight indications of nervousness and answered all questions calmly and courteously.

Late last night William Blair, a companion of Lukens and the Brown girl on Monday night, was arrested and is held as a witness in the case.

Chief of Police Smith said that no time has been set for a hearing of Lukens. He is aged about 35, is single and a millworker, and is held because of conflicting testimony. He asserts that he was home at 11 o'clock on the night of the murder, and is supported in this story by his mother, who appeared at the police station last night in her son's behalf.

He says the last time he saw the Brown girl was Saturday evening, but other evidence is to the effect that he was with her Monday night. He was arrested at the Parker House, where the girl lived. He contributed a floral wreath for her funeral.

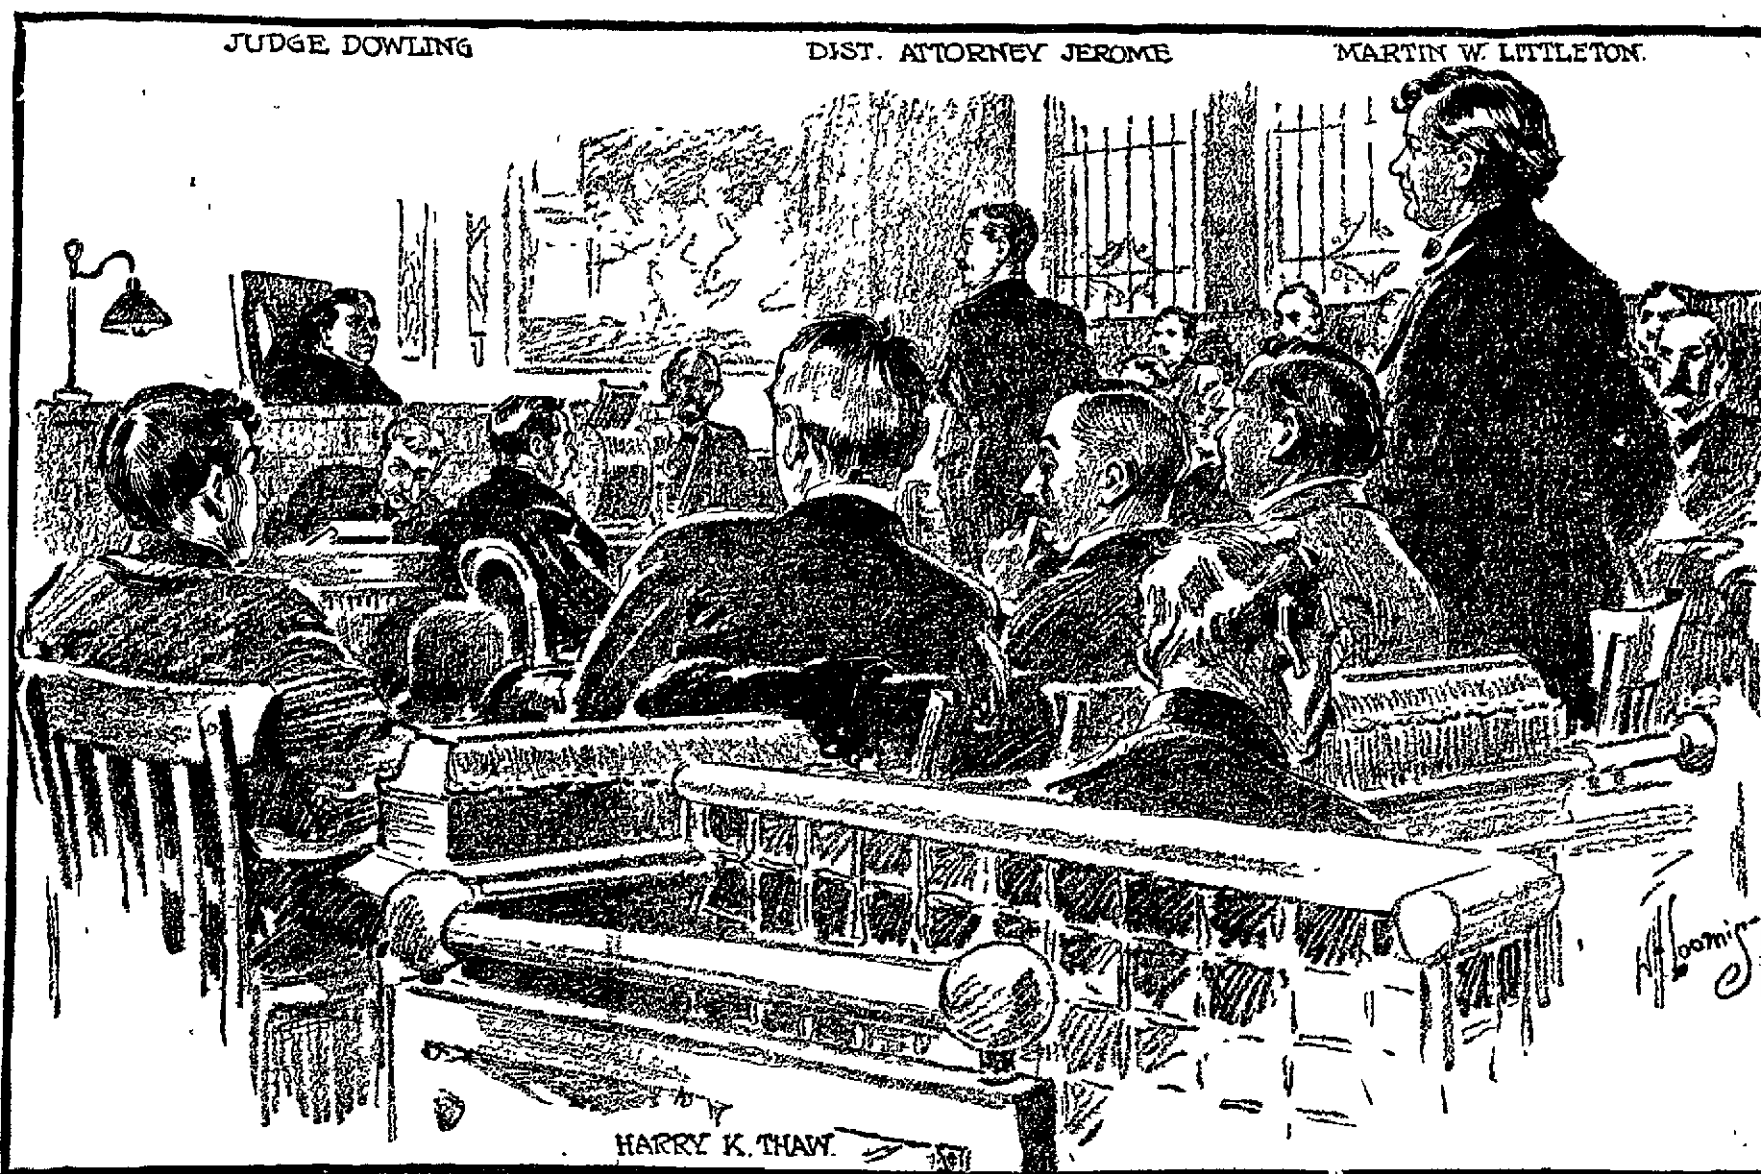

In an interview Lukens admitted that he had served time in the Mansfield reformatory for manslaughter. He says he was accused of murdering a woman at Cincinnati, and was tried twice, the jury disagreeing in both cases. He says he then pleaded guilty, although innocent of the crime, because he did not want to go through the ordeal of another trial.

The murderer of the girl, whose home was in Massillon, and who was about 22 years of age, occurred Monday night. Four separate wounds were made with the hammer. Her clothing was not disarranged, indicating no struggle. She had been living at the Parker House for some time, and her mother recently visited her, urging her to return home. The wayward girl was deaf to her parent's entreaties. Friends say the girl always carried considerable money, but she had none when her body was found.

The Cincinnati crime with which Albert Lukens was charged was the murder of Mrs. Julia Stiegler, who was killed at her home on the Paxton road, in Hyde Park, on March 15, 1899. Mrs. Stiegler was killed in much the same manner as the young woman at Canton. In the Cincinnati case, however, robbery was the only motive alleged.

At the time of the murder Mrs. Stiegler was leaving her home for the city, and had \$59 in bills in a handbag. She left the money in the pocketbook and went upstairs while Lukens was in the house. According to a confession which he made on the night of his arrest he went down into the cellar and secured the furnace poker with which he fractured the woman's skull.

love with her, contrived to see her frequently, and a few weeks ago asked her to marry him. She consented and they set a day for the nuptials. It came to light the day before the marriage was to be celebrated, however, that the young woman's real name was not Burton, but Worthington, and that the real name of her lover was not Jackson, but Worthington. Each had been given away when a child. He had taken the name of the man who had adopted him and she that of the man who had adopted her.

SCHMITZ AND RUEF WIN COURT DECISION

San Francisco, Jan. 10.—Francis J. Heney, special prosecutor and chief foe of the grafting in San Francisco was undismayed today by the undoing by the Court of Appeals of his work in the conviction of former Mayor Schmitz, on the charge of extortion of money from the keepers of French cafes.

"Even though it probably will have to be conceded that the decision holding the conviction of Schmitz invalid will affect the conviction of Ruef, on his plea of guilty. I do not think the work of the prosecution will be interfered with greatly," said Heney. "There are so many indictments against Ruef and Schmitz that the district attorney's office will have little trouble in bringing them to trial whenever it cares to."

E. church at Atlanta, Ga., and an unidentified tramp. Among seriously injured are Maynard Sober and Mrs. H. W. Sober of Hamilton, O. Spreading rails caused the accident. All cars save the Pullmans, left the track.

TOLEDO REPUBLICANS REPUDIATE BROWN IN PUBLIC MEETING

Toledo, Jan. 10.—The anti-Brown meeting at Zenobia Hall last night, originally for the purpose of protesting against the call of the Republican State Central committee, and to denounce Walter Brown as a "vicious boss," at first resolved itself into an ardent debate between "Big Jim" Ashley and James Caldwell.

Ashley denounced Brown and made slighting references to Caldwell as "a street-railway lobbyist before the council."

Ashley made no reply to Caldwell. Ashley, after saying that Manager Vorvys had admitted to him at Columbus that he had made a mistake in accepting the Brown call, but under the present condition of affairs could not help himself, introduced the following preamble and resolution, which was unanimously adopted:

"Whereas, The extraordinary call issued by the Republican State Committee clearly foreshadows an attempt to disfranchise 75 per cent of the Republicans of Lucas county, or to compel them to vote a ticket to be made up by Walter F. Brown and for his continued leadership and his greater power, and is a vicious effort to rule, regardless of the wishes of the Republicans of this county, and is an outrage without precedent in American politics.

"We, the undersigned Republicans, on all National issues, protest earnestly against this brazen attempt at the disfranchisement of our fellow Republicans in this year of President making, and we pledge ourselves to do all in our power to defeat this vicious attempt upon our rights, and to defeat the author of this attempt, Walter F. Brown. We believe this can be legally done, and in the primaries February 11, 1908, when the battle must be fought. To that end we will be resolved.

"That we, the committee of One Hundred National Republicans, appointed to meet the crisis and conditions which confront us, hereby denounce Walter F. Brown and his unscrupulous plans to disfranchise a vast majority of the Republicans of Lucas county by means of a cunningly devised primary call.

"We hereby designate R. H. Finch, John E. Merrell, Frank G. Crane, Edward P. Hubbell, Dr. J. L. Watson, W. C. Clark, W. H. Perrin, W. R. Loeffel as a committee of publicity and direction."

W. B. Cutler admitted that Brown was cunning, but declared he was the biggest traitor to the Republican ranks in the state, because he put his personal ambition first, regardless of the party.

The meeting closed after a lengthy discussion as how best permanently to organize in every ward and precinct that a successful fight against Brown may be waged. This organization will be perfected in a few days.

Brown received a letter from Jas. R. Garfield at Washington accepting the temporary chairmanship of the state convention to be held at Columbus March 2 and 4. Acceptance of the temporary secretaryship was also received from R. M. Switzer of Gallipolis.

the delegates from the Eighteenth Congressional district of Ohio could be selected in that way, and at the time Representative James Kennedy's successor is to be nominated. This question also involves the Brown primary election law, which was invoked by the state central committee in ordering the election of delegates to the state convention next month, in so far as it pertains to the choosing of delegates to the national convention.

The provisions of the Brown action relating to primaries makes no mention whatever of Congressional district committees.

Washington, Jan. 10.—Messrs. Jno. W. Yerkes, Frank S. Streeter and Frank B. Kellogg, National committeemen from Kentucky, New Hampshire and Minnesota, respectively, who comprise the sub-committee which drafted the call for the election of delegates to the Republican convention to be held in Chicago next June, have been requested by Secretary Elmer Dover to give their opinion whether delegates from Ohio may be chosen at primaries. This question was raised a couple of days ago by D. F. Anderson, of Youngstown, who came here to inquire whether

Burkhardt, the newly installed chief magistrate of the city, announced his policy yesterday concerning saloons and gambling houses by the issuance of an order directing the chief to close all gambling establishments and to clean out all wine rooms.

Va., it is alleged, and wife No. 1, whom he deserted, it is said, is in California.

Jurors Have Been Accepted to Try Thaw

MAY NEED NEW PANEL

Court Attaches Compare Case to That of R. B. Molineaux

Counsel Deny That There is Trouble Between Thaw and Wife.

New York, Jan. 10.—Upon the reconvening of court, Jerome peremptorily challenged Wm. M. Sandhelm, No. 10, and Littleton challenged Henry Duschles, No. 12. The other three jurors were then sworn. There are now ten sworn jurors in the box.

* * * * *

* JURORS SWORN AND ACCEPTED TO TRY THAW.

* Chas. E. Gremmels, 38 years old, married, foreman.

* Arthur R. Naething, 50 years old, married.

* Geo. W. Cary, 60 years old, widower.

* Geo. C. Hupprecht, 47 years old, married.

* John R. Holbert, 44 years old, married.

* David A. Arrowsmith, 37 years old, married.

* Wm. F. Doolittle, auditor's clerk, 53 years old, married.

* * * * *

New York, Jan. 10.—With five seats remaining to be filled in the Thaw jury box and the knowledge that unless they are occupied with sworn jurors before adjournment tonight there will be an extended session Saturday, counsel for both sides started out today with a determination to complete their work as soon as possible. There was a special panel of 100 men in court today, the fifth since the trial began Monday but whether the five qualified jurors needed can be secured from their number, is doubtful. Out of the four panels so far examined but 7 men have been qualified to the satisfaction of both sides and the proceedings today began with these seven sworn and in the box. Of a total of thirty peremptory challenges allowed each side by law, the defense has been compelled to use 19 while the State has exhausted 14.

Counsel for Thaw continue to reiterate their denial that there is trouble between Thaw and his wife. A. Russell Peabody, personal counsel for Thaw, has taken occasion to personally see most of the newspaper correspondents working on the trial and to assure them there is nothing in the current reports that the couple are estranged. But these denials have not ended the circulation of the rumors. They emanate from the prison and from the "white light" district, where Thaw and his wife were well known before their present troubles. Old attaches at the prison and court building have already begun to compare the Thaw case with that of Roland B. Molineaux. Molineaux's wife stuck by him without question and they were the most devoted of couples until he finally gained his freedom. Then she went to South Dakota and secured a divorce and married her lawyer.

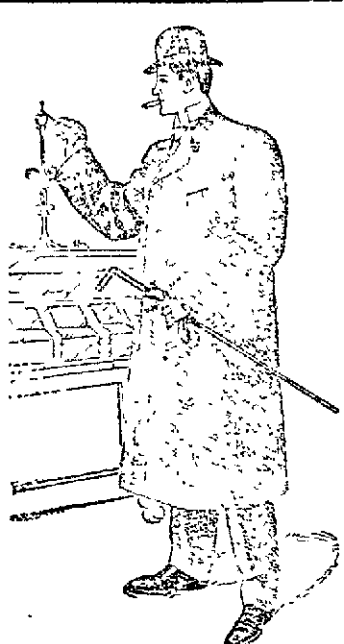

The examination of talesmen has revealed that Littleton will take every advantage of the code. Not a man has been permitted to take a seat in the box but what has been compelled to agree that he will put the burden of proof of declaring Thaw sane on the district attorney. Each talesman has agreed "that he will consider Thaw insane until convinced to the contrary beyond a reasonable doubt by the witnesses of the state."

There was the usual preliminary delay in settling down to business this morning owing to the necessity of calling the roll of 100 special talesmen. Thaw had his arms full of papers and wraps as usual when he stalked into the courtroom this morning, looking neither to the right nor to the left. He sank into his chair beside his personal counsel, A. Russell Peabody, without even a look at the claims where were seated his wife and members of his family. It was

GOSPEL MEETING

"To Know God is to Have Eternal Life" was the subject of a very thoughtful sermon last evening at the First Presbyterian church by the pastor, Rev. F. E. Vernon. Prof. Brew sang with much feeling, the beautiful song, "Does Your Signal Light Shine." These meetings are very helpful, and are increasing in interest and attendance. Good singing is a feature of each meeting. A special prayer service this evening at 7 o'clock. Gospel service at 7:30. Every one is welcome to either of these services. A special request is given to the members and their friends to be present at the meetings this evening.

Railroad Notes.

G. A. Schmolli, superintendent of motive power for the B. & O., was in the city Thursday visiting the office of the master mechanic.

It is reported among local railroaders that this is the last week for the operation of the C. A. & C. shops at Mt. Vernon. It is said that the shops will be closed for an indefinite period.

Freight traffic on this division of the B. & O. is increasing and for this time of the year bids fair to keep up the average record in spite of the cry of panic.

Mrs. C. M. Coffman of New Bedford, Mass., and Mrs. Martha Kilgore of Bellaire, O., who have been visiting at the home of W. S. Coen on East Main st., have gone to Toledo to visit relatives for a time, after which she will return to her home.

PROMINENT PHYSICIANS

Endorse Our Cod Liver Preparation, Vinol.

Many of the most eminent physicians are now prescribing Vinol as the most satisfactory cod liver preparation. Thus it is fast superseding other forms of cod liver oil and emulsions.

W. N. Rand, M. D., of Evans Mills, N. Y., writes: "From personal experience, I am able to appreciate the value of your cod liver preparation, Vinol. I have used it and prescribed it largely during the past eighteen months, and I want to say that Vinol is all you claim for it and more."

Dr. Bronchelle of Thomasville, Ga., a physician well known in the South, writes: "I use Vinol in my family and in my general practice with most excellent results for bronchial and pulmonary troubles and to create strength."

Another physician writes: "I am satisfied that Vinol derives its wonderful life-giving and strength creating power from the medicinal curative elements found in the cod's liver. It is the most satisfactory strength creator and vitalizer for old people, weak women and delicate children which it has ever been my pleasure to prescribe."

The reason that Vinol has such remarkable curative and strength-creating power is because it is made by a scientific, extractive and concentrating process from fresh cod's livers, combining with peptonate of iron (which is a needful constituent for the blood) all the medicinal, healing and body-building elements of cod liver oil, but not oil.

We ask every person in Newark who is in need of such a medicine to try Vinol on our guarantee to return money if it fails to give satisfaction. Frank D. Hall, Druggist, Newark.

LOCAL OPTION CONTEST BEING HEARD TODAY

NUMBER OF WITNESSES EXAMINED AND CASE WILL BE CONCLUDED TOMORROW.

Grand Jury Will Report Monday Morning at 9 O'clock—Important Court Decision.

The case of Lewis Seasholes vs. the Village of Johnstown and J. H. Mattingly, Mayor of the Village, an action to set aside the result of the local option election held in that place on December 23, is on trial before the Probate court. At the time of the election 145 votes are said to have been cast for the dries and 107 for the wets, giving the dries a majority of 38. A number of witnesses have already been examined but it is expected that the trial of the case will not be concluded before Saturday night. On account of the large number of persons in attendance the hearing is being held in the Common Pleas court room.

The hearing in habeas corpus in the case of State of Ohio on relation of G. W. Mick, was heard by the Probate court. The defendant who was also a party in a divorce case, was arrested by Chief Sheridan on authority from New Jersey, in which state the defendant had been charged with desertion of his family. The court granted the writ and discharged the prisoner.

The homeless Hungarian, Frances Juhanz, who became insane here and on whom an inquest was held by the Probate court several days ago, was taken to the State Hospital at Columbus, to be kept there temporarily until definite arrangements could be made regarding his case. Since taking him to Columbus it has been learned that he is a confirmed epileptic and he will be transferred from the State Hospital to the Epileptic Asylum at Gallipolis. The Hungarian consul wrote Judge Brister regarding the case, saying that he had no power to deport him and advising him to correspond with the United States Inspector of immigration at Cleveland.

Grand Jury Adjourns. The grand jury adjourned until Monday morning at 9 o'clock at which time Judge Seward expects to receive its report.

Important Decision. The creditors of an heir can not file exceptions to the account of settlement of an administratrix or administrator.

This was decided by Judge Wickham of Delaware in dismissing the exceptions to the final account of Mary D. Sturges, administratrix of the estate of Anna B. Sturges.

There was about \$12,000 involved in the suit brought by one of the creditors of W. M. Sturges. Sturges was indebted to his deceased sister's estate in the sum of \$12,000. This amount was deducted from the distributive share of W. M. Sturges in his sister's estate. The case has been pending for several years. The decision is an important one from a legal standpoint.

HIS REDEMPTION

(Communicated.)

He stood before the audience flushed with triumph, his handsome head bowed low in answer to their enthusiastic applause. Great men bowed low before him, beautiful women turned their bright eyes upon him and smiled. He was at the height of his success this young violinist. He was petted, fêted and made much of. He dreamed his first dream of success and fame, and in it he stood at the topmost round of the ladder, a bright and beaming light for men to admire and women to love.

Oh, rosy dreams of youth, what will the end be?

Flattered we think we are invulnerable, but Satan is watching his opportunity and he stealthily in at an unlooked for moment.

Supper was held for the handsome and gifted youth, wine flowed freely, toast was returned by toast, until after awhile the demon of drink stole in and lessened the power of the handsome hand; and one bright morning he awakens to find himself—where?

At the top? No! In the lowest depths of degradation. The result of too much admiration, and not enough humility and thankfulness to God for a talent which He hath given.

But he awakened, I say, and found himself not only at the bottom, but there alone, for those who had been the first to flatter and make much of him in his triumph were also among the first to spurn him in his fall.

Oh, the regret, the sighs the tears, for lost position!

But will he redeem himself, or will he sink lower and lower, until he finally loses his soul in hell, and all this beautiful God-given talent is wasted?

Nay! In this frail handsome musician, we find determination to retrieve his lost glory. But having once fallen, he cannot win back his lost laurels so easily, and slowly with many discouraging failures, he toils on his way.

But at last the night comes when he knows he must either win or lose forever and trembling he stands before the same audience that five years before had applauded him in his first successful appearance. But now they have no faith. They are not only critical but they are cynical as well. Slowly he raises the violin to his chin, caressingly as though 'twere some dearly beloved child. He draws the bow across the strings, and such mournful, sad and altogether heartrending melody breaks forth that he holds his audience entranced. He seemed to plead for reinstatement among them. He tells them with this heavenly music of his fall and his trials and finally as he sees he gains once more their approval, he bursts forth in glad triumphant strains; and then again he stands waiting for their applause. It comes at last and it is sweeter and dearer to him than the first could ever be.

Will he fall again? Nay, he has learnt his lesson well.

They couldn't always tell which from which even in the days of witchcraft.

SAVED HER BOY His Little Body Like A Living Coal.

READ WHAT DID IT.

Material suffering reaches its limit when the little child seems to be condemned to endure the pangs of a torturing complaint. The relief is likewise intense. The words which follow convey something of the anguish and joy of a woman whose baby boy suffered terribly from Salt Rheum and was cured by the PALMER SKIN AND BLOOD SYSTEM OF TREATMENT.

"My little boy when only a year old was afflicted with Salt Rheum. I consulted the best of doctors, but none helped him; he grew worse all the time. The disease covered his little body all over, and about the neck it was so bad it would bleed. In fact, his whole body was like a living coal as near as I can explain it. Nights he would cry and kick he suffered so, and would have such spells I thought he would die. A friend asked me to try the Palmer Treatment, and I did so. My boy's condition improved so rapidly that I was cured. I cannot possibly say too much in favor of the 'SKIN-SUCCESS' remedy, for they saved my baby's life."

Mrs. Beth Clark, Widow of George H. Eckman, Cured Rapidly.

It is a pleasure to record such a relief from one of the deadliest enemies to medical practice—one of the most difficult to overcome—one which has seldom been overcome by any other form of treatment. Here the cure is absolute—unquestionable—and permanent.

"There is certainly a wonderful treatment. It has been of the greatest benefit to me, thoroughly curing me of raw and burning sores, and a great deal of skin disease. As long as I live, I will take great pleasure in recommending the Palmer SKIN-SUCCESS Treatment to suffering humanity. Geo. A. Taylor, 307 Church St., Galveston, Tex."

THE PALMER SYSTEM OF SKIN AND BLOOD TREATMENT is radical—it kills the germs, completely relieves the local distress and purifies the disordered blood, which is usually the cause of the trouble. It cures all cases of Psoriasis, Scrofula, Salt Rheum, Poriasis, Erysipelas, Acne, Scall, Pimples, Blackheads, Ringworm, Tetter, Itch and Oak Poisoning, Heber's Affections, Ticks, Bumps, Bruises and Sores, also Constipation and all Liver and Blood Disorders.

THE COUNTY SHERIFF.

Kathleen Kennedy, author of "The County Sheriff" has combined the many sparkling dramatic scenes with plenty of comedy, the kind that every one enjoys and that is lacking in most of the popular priced plays. Among some of her most successful plays may be mentioned "Sheridan Keene, Detective", "Gentleman Jim Diamond", "Larry from Ireland".

"Oster Joe", "Virginia" and a score of others. "The County Sheriff" will be seen with a large and capable cast and with a complete original production at the Auditorium on Saturday afternoon and night, January 11th.

THE HEART OF MARYLAND.

David Belasco's masterpiece, "The Heart of Maryland," will be the attraction at the Auditorium next Wednesday evening. Play goes to whom Mr. Belasco's name and plays have long been familiar, will again have an opportunity of witnessing "The

Heart of Maryland," a drama in which the romance of woman's love illumines the realm of a story in which the interest is as continuous as the characters engaged in its narration are typically individualized.

GREAT SOUTHERN.

A dramatic production of which we have all been reading, owing to the enormous popularity achieved by it in America, will be presented at the Great Southern theater, Columbus, during the entire week of January 11. "The Lion and the Mouse" is talked about and written about because it has a theme very pertinent to the times and a subject very close to the heart of every good American. It illustrated the power exercised by the use of characters, wealth in connection with American politics.

MISS BOB WHITE.

Tuneful from the opening chorus to the grand finale, and laughable to the last, is Miss Bob White, the prettiest little comedy opera seen at the Auditorium last night. As was written, the piece is built around the experiences of two mem-

bers of the New York Millionaires' club, who lose a bet with the Duke of High Titles and are forced to become tramps for a stated period of time, not being permitted to make known their true identity, borrow any money, or spend any of their own. Frank Deshon and J. Lee McClure get away with these two comedy characters in an excellent manner. And here it may be mentioned that Mr. Deshon, the leading comedian of the company is an old acquaintance of E. Herve Reynolds of this city, who has fought the battles of good old repertoire opera with Mr. Deshon before many a set of footlights. His rise from chorus positions to second and first comedian of the later attractions in which he has appeared, has been rapid, and testifies to his ability to amuse the public.

Miss Loris Scarsdale, as Miss Bob White, is dainty, graceful and petite. Her voice, while sweet, is much too weak and lacks the finish which might be expected of the impersonator of the leading female role. The other characters of the piece were well placed, Miss Helen May as Golden Rod, being particularly clever. Although a minor character in a way, Golden Rod possesses the sweetness, neatness and shyness that becomes a prim Quaker maid. Miss May has a beautiful voice which she uses well. Jos. Leighton, the father of Golden Rod, "the world's breakfast food," looked and acted his part well.

By far the feature of the show is the music, which is, indeed, rarely excelled in a light comedy opera. Of the musical numbers, may be mentioned such as Mystery of Love, When I'm Alone, I'll Be True, I Love You, and the quail song, Bob White, beside two or three clever comedy numbers. The whole was supported by a fair looking, good singing and hard working chorus, directed by a musical director who really knows how.

ORPHUM THEATER.

Amateurs and an extra number have been secured for the extra attraction tonight at the Orphum. If you want to be entertained, professionally see the big comedy bill this week, and if you enjoy seeing a number of good amateurs don't miss coming tonight, and you will receive double the amount of your money.

Mr. Hoffman will get out of a stock, or old fashioned whipping post in the specified time of one minute. Pretty good for an amateur. Don't forget the rocker will be given away tomorrow evening at the second performance.

OBITUARY

FUNERAL OF MRS. RHOADS.
Mrs. Mary A. Rhoads, who died at her home on Locust street, Tuesday evening, and whose death was noted in the Advocate, Wednesday, was born three miles south of Newark, on September 15, 1841. She was married to Simeon E. Rhoads, one of the best known citizens of Newark. After his death about four months ago his widow steadily failed until death claimed her Tuesday night.

Besides her two children who survive her, Mrs. Nettie Reese and Mrs. Rillie Broom, both of this city, the deceased is survived by three sisters, Mrs. Samuel Wise of Richland, Kan., Mrs. George Diebolt and Mrs. Diana Redman of Warsaw, Ind., and two brothers, Mr. George Mentzer of Alexandria, and Mr. Jefferson Mentzer of Crotty Station, Kan.

Shortly after marriage Mr. and Mrs. Rhoads joined the Old School Baptist church, and she was a consistent member of the church at the time of her death. The deceased was one of the best known women in Newark, and was most highly respected by all who knew her. Her family life was most happy and in her passing Newark loses one of its most kind and loving residents.

The funeral services were held at the late residence of the deceased, 243 West Locust street, on Friday afternoon at 2:30 o'clock, and were attended by a large concourse of mourning relatives and sympathizing friends. Elder Schumaker officiated and the beautiful music for the occasion was furnished by members of the choir of the Old School Baptist church, and the interment was made in Cedar Hill cemetery.

FUNERAL OF HELEN McFARLAND.
A short funeral service was held over the remains of Helen McFarland, aged 45 years, who died Wednesday night at her residence, 562 1-2 North High street, Thursday evening at 7 o'clock. Rev. N. W. Gooch officiated. The remains were taken to Adams Mills at 7:30 Friday morning for interment. —Columbus Dispatch.

MRS. MARY DUTRO.

Mrs. Mary Dutro of Duncan Falls, died Thursday at the age of 74 years. The funeral took place Friday.

FUNERAL OF MRS. COOPER.
The remains of Mrs. Ann Cooper, a former well known woman of Newton township, this county, who died at the home of her daughter, Mrs. Walter Jenkins, in Cincinnati, on Wednesday, arrived in Newark about 7 o'clock Thursday night and were taken to the undertaking rooms of Bowers & McCament, on North Fourth street. Friday morning the body was taken to the Bell church, near Utica, where the funeral services were held at 11 o'clock. The interment was made in the adjoining cemetery.

MRS. EMMA BUSSY.

Mrs. Emma Bussy, widow of the late Jeff Bussy, died Thursday at her residence in Columbus. Mrs. Bussy was a former Licking county woman, being the daughter of Mr. Wm. Powell. A sister, Mrs. George Tavener, residing south of this city, and Mrs. Tom Lenox, of Cleveland, survive her.

The funeral services will be held Saturday and interment will be made in the Fairmount cemetery.

explained by his lawyers that he is much worried over the illness of his mother, who is reported today to be not so well.

Justice Bowling announced that as soon as the jury is completed court will sit from 10 a. m. until 6 p. m., with a recess of one hour for lunch.

Attorney Littleton reported today that the Edna Goodrich incident is now closed. A detective from Daniel O'Reilly's office called on her by appointment last night at the theatre where she is playing and she accepted service of a subpoena for appearance as a witness for the defense when wanted. She explained that she did not consider the service of the night previous as legal. Miss Goodrich insists that she knows absolutely nothing about the case and that she does not remember ever having introduced Stanford White to Evelyn Nesbit.

The first two talesmen called today were promptly excused. William Livingston, an auctioneer, said he had not had time to read the case and he knew nothing about it. He was excused by consent.

The next talesman drawn finally satisfied both sides for the time being at least, and was given seat No. 8, subject to peremptory challenge. He is William H. McHugh, a clerk, of 1633 Madison avenue. He said he had read and heard a great deal about the case but had no fixed opinion regarding it.

To Justice Dowling, he explained that the question of reasonable doubt was one that might trouble him as he did not know just what it meant. When it was explained that such doubt was one upon which he would be expected to act on in the graver affair of life he said "he guessed it would be all right." McHugh is a widower and about 40 years old.

**JUDGE BRISTER
AT UHRICHVILLE**

The Daily Paragraph, of Dennison
and Uhrichville, devotes over a col-
umn to a description of the Jackson
banquet held in Uhrichville on Wed-
nesday night, and says of Judge E.
M. P. Brister, of this city, who was
one of the principal speakers:
"Then came Judge E. M. P. Brister
of Newark, that most welcome and
popular speaker at these annual ban-
quets. His theme was 'The Demo-
cratic Party,' and it is doubtful if any
orator could have made a better
speech on that subject. He eulogized
the Democratic party and roasted the
Republicans in a masterly manner,
and declared that his party had met
enough defeats and reverses in its
history to have destroyed any ordi-
nary political organization, but not-
withstanding this it is still alive and
kicking, and will yet come into its
own in the administration of the gov-
ernment."

The startling information comes
from New York that Senators Platt
and Depew will not head the delega-
tion from that state this year to the
Republican National Convention.
Nothing could give such unmistak-
able proof of the flight of time as the
retirement of these wheel horses of
the New York Republican organiza-
tion to the pasture for spavined, ring-
boned and superannated political
equines. A Republican National Con-
vention without Platt and Depew will
certainly present a very much
changed aspect.

The United States Supreme court
finds no authority for Federal con-
trol of strictly state affairs in the
provision of the Federal constitution giv-
ing Congress the power "to regulate
commerce among the several states."
This gives a temporary check to the
effort to break down state lines and
encroach upon the sovereignty of the
states under the pretext of regulating
interstate commerce.

ROOSEVELT'S LIST OF EPITHETS.
(Philadelphia Record.)
A complete inventory of opprobrious
epithets used publicly by the Presi-
dent would make a rather thick
pamphlet. If his private conversation
is any more explosive than his lan-
guage in official documents it must
be pretty hot. Every person who does
not agree with him is a cur or a cow-
ard or a criminal, and his place is
somewhere in the scale between an
undesirable citizen and a traitor.
There are no less than twenty-one of-
fensive terms or phrases in the one
letter of Mr. Roosevelt to the Secre-
tary of the Navy regarding Admiral
Brownson, including the entirely ir-
relevant matter of the alleged de-
ficiencies of our battleships.

STRUCK BY TRAIN

**And Hurl'd Quite a Distance Into a
Creek Bed, But the Victim
Will Recover.**
A Hungarian section man came
near being killed by a B. and O.
freight train Thursday afternoon at
a mile and a half east of Union Station.
Although the man sustained two bro-
ken ribs and several severe bruises, it
is said that he will recover.
Together with a party of other
laborers, the foreign workman was on
the track when a west bound fast
freight approached. He failed to
leave the track before the engine
struck him, hurling him quite a dis-
tance into a creek bed. He was picked
up and placed on a hand-car and
brought to Union Station where Dr.
J. P. Leatherman of Outville exam-
ined him. At first his injuries were
feared to be fatal, but later reports
favor his recovery. The man board-
ed with a number of his fellow
countrymen in work cars near the
station.

The Call of the Kidneys.

One of the first indications that your kidneys are in distress is a dull, painful ache in your back. Another sure sign of kidney or bladder trouble is highly discolored or painful urination.

If either one of these symptoms are present it is most important that you should at once get a box of Lantz's Red Kidney Pills and cleanse your kidneys thus enabling them to perform their proper functions and preventing Diabetes or Bright's Disease.

Tell you why.

The kidneys are the scavengers of the body.

Healthy kidneys remove from the blood about 500 grains of impure matter every day.

It does not require a medical training to understand that, if for any reason the kidneys are unable to properly perform this blood cleansing operation, serious derangement, not only to the kidneys, but also to all the other organs of the body must be the result.

So, when the kidneys call for help, it is of the utmost importance to your health that you assist them at once with Lantz's Red Kidney Pills, the very best diuretic known to the medical profession to-day. They not only cleanse the kidneys and assist them to perform their proper functions, but they have a soothing, healing effect. They also contain a gentle laxative which acts upon the stomach at the same time, thus expelling through the kidneys and stomach, all impurities from the body.

Our guarantee is in every box.

Cleanse Your Kidneys with Lantz's Red Kidney Pills.

If you have never used these Pills, we will gladly give you a two days' trial treatment free.

WESTERNERS

SEEM TO CONTROL THE BASEBALL SITUATION IN THE O. P. AT PRESENT.

OTHER TOWNS WILLING

To Join With Western Teams for the Formation of New League—Low Salary Limit Wanted.

Fanests were held all over Newark yesterday, and the way the talk ran it is evident the fans agree that a new league wouldn't be a bad idea. Of course ball men who are well informed are sorry Zanesville can't go with the western town in the proposed new league, but it was not greatly courted on and was merely spoken of as a possibility.

Zanesville in the past has not been a successful ball town compared with others of her size, and there is some doubt that she will hold her head high in the Central. The fact that the players of the Canton team do not go with the franchise was a body blow, but Marty Hogan is positive he can deliver the goods when the time comes, so the fans down the state are holding their hands and praying that his words may come true.

The fact has been very plain that the western towns are the key to the situation, and in speaking of the fact the Ohio State Journal this morning has the following to say:

"It is hard to see from long range how the owners of western Ohio-Pennsylvania clubs did anything but score a virtual victory in their struggle with the Eastern magnates at Cleveland Tuesday and Wednesday.

"In all probability there will be a separation, but Eastern clubs will have to pay the Westerners a bunch of alimony. True, this amount, said to be fixed at \$1,000, isn't large and won't go very far toward getting four new clubs in shape to complete a league along with Marton, Newark, Lancaster and Mansfield.

Agreement to pay over the coin is a confession from the Eastern section that the Western clubs were holders of the balance of power. President Wollenweber of Marton was the original 'alimony' man. Passing over the cash will be evidence in itself that he and his associates gained a victory, and a big one, as principle and prestige go.

"Very likely it won't take much nagging after this money is received by the Western contingent to have it returned to the Eastern faction, with the suggestion that it could be used to better advantage by Akron and her allies in filling the holes in her proposed league.

"Ten to one the club owners of the western end of the circuit will soon discover that their patrons are lined up solidly behind them in their efforts to organize a new league that will glide along in much better fashion than the old Ohio-Pennsylvania organization.

"Lancaster, Newark, Marion and Mansfield have thousands of good sportsmen, but these four towns have nothing on some of the others that may come into the league. If everybody pulls together there'll be a league down in this part of Ohio that will make eyes in Youngstown and Akron turn green with envy."

Other teams that were mentioned as a possibility in the forming of the new league, are enthusiastic over the outlook for their joining in with the present western cities, and there is no doubt but what a fast league can be organized, providing of course, the eastern faction still insist in severing relation with the western teams of the league. No great sorrow is felt among the fans that the rupture occurred, it has been a possibility even though during the early winter months it was not thought such a thing was probable.

The management of the Richmond, Ind., team, one of the proposed additions to the westerners, has the following to say:

Richmond, Ind., Jan. 10.—Management of the Richmond baseball team and local fans will welcome the opportunity that is about to be presented to get a franchise in a new league to be composed of the four western cities of the Ohio-Pennsylvania League and other places yet to be chosen. Richmond has long desired a faster article of ball than that presented by the Indiana-Ohio league, of which it is a member, and if conditions are favorable will go with the new organization. What effect this decision will have on the Indiana-Ohio league is not known, but it will be considerable, as Richmond has been the best paying city in the circuit and the prime mover in the matter of reorganizing for the coming season. A meeting has been called for this city on January 20. There are many applications for franchises in the Indiana-Ohio league and no doubt Richmond's place can be satisfactorily filled.

Lima is taking the matter up seriously and the promoters of the game in that town are already on the jump, bringing up the fans and business men, and while Lima has never been considered an especially good ball town, its failure in that respect can be traced directly to poor management. A fast team in a fast league might work wonders with the upstate boys,

and the town might turn out a good paying proposition for the home and the visiting teams.

A bad town in a bad league has frequently developed into a good town when fast, clean ball was given them. They want baseball salaries held down and have a novel proposition to make according to a telegram from that city.

Lima, O., Jan. 10.—This city will enter the new minor league with local backing only on two conditions. A canvass yesterday developed great enthusiasm, and fans pledged to stick to the club if a management came from the outside, and if the salary limit of the new league is made proportionate to the population of the cities of the circuit.

It must be baseball on a business basis if Lima seeks a franchise, as none of the eastern towns can pay the salaries in vogue in the old O. and P. league. Lima, Richmond, Ind., Sandusky, and Springfield are the four cities favored here.

Sandusky will enter the new league if the proposition is made to her, but she states emphatically that she will not seek admission. They also insist that a reasonably low salary limit be fixed. At a meeting held Wednesday evening the proposition was talked over, and a report showed that the company has property valued at \$4,000, but there is a debt of \$1,100 on this. The receipts netted a small profit, and seven rainy Sundays are blamed for not bringing more money into the treasury. That the city ought to be a good Sunday town is not denied but little is known of it as a week day town.

There has been a big bunch of silence at Springfield, but it is understood that they have raised a comfortable sum to start them on their way should the new league pan out.

Players Signed by Newark

That Manager Berryhill has not been idle is proven by the list of men he has secured up to today. Many of them are players of experience, while others are promising youngsters who have all kinds of ability and who under proper training such as will be given them by Berryhill, will undoubtedly prove to be men of worth when it comes to the great American

game. The list so far is very incomplete, but new men are being signed almost daily and before the time for registering rolls around, the fans will see a husky young bunch together that will fight for the Molders and the pennant.

Most of the old men will wear a Newark uniform. Gygli, who held down first in a highly satisfactory manner last year, will again be here. "Cap," or "Sandy" Murray will in all

probability hold down the bag for the Newark aggregation, while Snyder, Wharton, Abbott and possibly McIntock will be here when the going rings. The new men so far who have allied their names to Newark contracts are: Pitchers, Carl Becman, Cleveland; Charles Currie, Lodoga, Ind.; Charles Sadler, Osgood, Ind.; Elson, Redford; Fred Koehl, Sycamore. Catchers, John Currie, Lodoga, Ind.; Walter Smith, Massillon, and Roy Roth, Cleveland for an infielder. Others are now on the string but so far have failed to sign up.

STILL AFTER THE SITE

Proposition Received From Urbana and Marysville by Commission for Children's Home.

At a meeting of the commissioners named to select and purchase a site for the proposed home for crippled children held in Columbus Thursday, and mention of which was made in The-Advocate, they received a proposition from Commissioners Kimball and Hodge of Champaign county, who want the home located near Urbana. They propose to sell the 140 acres and buildings now used for the Champaign County Children's Home to the state.

A delegation of prominent business men of Union county urged the commission to locate the Home near Marysville. This delegation was composed of R. L. Woodburn, Jesse Cameron, C. L. Chapman, C. L. Robinson, B. F. Carman and George Wilbur all of Marysville.

The members of the I. O. O. F. lodge of Hanover will serve a supper in the town hall Saturday evening, January 18. Proceeds for the benefit of a new hall. All are cordially invited.

Mr. and Mrs. Robert Coen and family have returned to their home in Toledo after spending the holidays with Charles Burton on Boylston avenue. Mr. Coen is a glass-worker employed in the Sibby glass works at Toledo.

DO YOU ENJOY YOUR MEALS?

One of the Most Important Questions to Consider in the Search for Happiness and Health.

The burning question, to you is, "Are you getting out of life all the pleasure and the health you are entitled to?" If not, why not?

No matter whether every organ and member of your body is in a sound state of health and strength, if your stomach is any way disordered, you are not going to be "yourself." You are going to be a worried, out-of-sorts, nervous or sullen individual; whose actions will reflect your condition inside, and people will naturally avoid you.

The world wants to smile and be cheerful, and unless you are cheerful and smile, at least occasionally, you will have few friends, fewer opportunities, no success, and you will go down in defeat, defeated by dyspepsia and a bad stomach.

A good and thorough digestion has a quick, wonderful reaction upon the brain. You must have noticed it many times, for the brain and stomach are as intimately connected as a needle and its thread, one can hardly be used to advantage without the other. If your stomach is slow and lazy in digesting your food, it will produce at once a slow, lazy and cloudy influence upon your brain. Mark it! If your stomach has absolutely quit work, and fermentation is poisoning your vitals as a result, surely your brain is going to be sluggish and correspondingly depressed. No one need tell you that.

Put your stomach to suffer all the miseries and torments that a disordered stomach brings you?

If your stomach can not digest your food, what will? Where's the relief? Where's the cure?

Stuart's Dyspepsia Tablets are the relief and the cure. Why? Because, as all stomach troubles arise from indigestion and because one ingredient of Stuart's Dyspepsia Tablets is able to THOROUGHLY and COMPLETELY DIGEST 3,000 GRAINS of any kind of food, doesn't it stand to reason that these little Dyspepsia Tablets are going to digest ALL the food and whatever food you put into your stomach? Science nowadays can digest food without having to use the stomach for it. And Stuart's Dyspepsia Tablets are the result of this scientific discovery. They digest and digest thoroughly and well, anything and everything you eat.

So, if your stomach refuses to work or can't work, and you suffer from constipation, flatulence, fermentation, biliousness, sour stomach, heartburn, irritation, indigestion, or dyspepsia of whatever form, just take one or two of Stuart's Dyspepsia Tablets, and see the difference. It doesn't cost you much to prove it. FULLBACK LIVINGSTON RE-ELECTED CAPTAIN OF DENISON ELEVEN

Granville, O., Jan. 10.—"Captain" Walter Livingston has been re-elected captain of the Denison football team. "Livy's" monopoly of the athletic captaincies in Denison is remarkable in view of the fact that he is a member of the '09 class and that this class furnishes more athletes for the Denison teams than all the other classes put together.

He is now serving his second year as captain of the basketball team and his re-election as captain of the football team came as no small surprise to the student body. There were several candidates for the honor and the fact that the office was handed out to him again instead of being passed around, indicates the trust

WALTER LIVINGSTON, Re-elected Captain of the Denison Eleven.

and confidence placed in him by the athletic board of control who had the election.

At a banquet given to the '07 Denison football team by Dr. Hunt several weeks ago each man who won his D wrote his selection for '08 captain on a ballot which was turned over to the board of control. It was understood that this did not constitute an election but the board wished an expression from the team to guide them in their choice. Other candidates were Rodgers '09, and Chittenden '09, both of whom played a good game in the tackle positions the last two seasons.

Mr. Earl Foote '09 has just been elected manager of the '08 football team. It is a little late to make this selection, but the board of control wished to elect both captain and manager at the same time. Mr. Foote was elected manager of last year's baseball team, but was compelled to resign because of too heavy studies. His election to manage this year's football team was expected and in spite of his late election there is no doubt that he will carry the season through in a successful manner.

POLO TEAM

May be Transferred to Newark—Ashland, Leaders, of the State League Want to Come Here.

Manager Anderson of the Ashland polo team in the Ohio State league, wants to transfer the team from the Ashland county capital to Newark. The business done here last season looks good to him, and polo as far as Ashland is concerned, does not pay. Ashland has a fast team and at present the boys are on the top of the heap in the league, but the crowds are not in their home town and Anderson wants to get out.

There is only one rink in Newark at the present time, and Mr. Schenck, owner of the rink, says it shall not be used for the purpose of playing polo. Make some other room can be secured for the purpose, and it is a pretty sure proposition that polo in Newark would pay, but since it is impossible to secure the only available place the plan will probably fall through.

What Would You Do
If three good physicians should pronounce your case hopeless. If they should decide that you could not live longer than six weeks. And if you should get well, after using only \$12.00 worth of Dr. Miles' Heart Cure and Nerve, what would you advise a friend in like condition to do?
"I have to thank you for saving my wife's life two years ago. We had continued with the doctor until the third doctor, like the two previous ones, said that nothing could be done for her; that she had better be taken home from the hospital to quietly wait her time, which would not be over 4 weeks at the most. I brought her home, and then I thought, probably Dr. Miles' Heart Cure and Nerve might help her, so I got a bottle of each and some Nerve and Liver Pills and commenced to give them to her. We soon seen an improvement, and encouraged by this we continued giving the medicine. We gave her eleven bottles in all of the medicine. She takes it occasionally now if she feels the need. I am in the ministry, and have been for 44 years."

Mrs. Lorinda Wartenbe, Beloved Granville Woman Remembered With Birthday Greeting

Bank Directors Elected---New Member of School Board Sworn In--Interesting News from College Town.

Granville, Jan. 10.—Mrs. Wartenbe, known and beloved of all Granville and remembered by a host of former students and residents of the town, attained her ninety-third birthday on Tuesday, January 7. She was remembered on that occasion by her friends with choice flowers and other gifts, and the writer on calling to

family but also the family of a daughter who died many years ago. In addition to this her necessity of providing for her own support has been made a blessing to many students for whom she has made more of a home than most students ever know after leaving the parental roof. This feeling was expressed by the in-

and even in the children of the Granville of today. May her last days continue to be full of sweetness.

Colwell, president; E. A. Smoots, vice president; J. S. Graham, secretary; L. W. Perry, treasurer, and C. B. Slack, cashier. A three per cent semi-annual dividend was declared.

At the last meeting of the school board Dr. E. P. Cook was sworn in as a member of the board. The board is now composed of Messrs. H. LaFerre, C. B. Slack, John Geach, Fred Williams and E. P. Cook. Officers for the year were elected as follows: President, H. LaFerre; clerk, C. B. Slack.

Miss Alice Dixon, teacher in the seventh grade of the public schools, has resigned on account of the illness of her mother, who resides in Croton. Miss Janet, daughter of Judge J. D. Jones, has been elected to fill the vacancy.

Miss Minnie Williams, who resides a short distance northeast of the village, entertained a number of young people at her home on Thursday night, it being the sixteenth anniversary of her birth. An enjoyable evening of games was indulged in by those present and at its conclusion refreshments were served in the prettily decorated rooms. Late in the evening the merry party came to an end and the young people departed, wishing Miss Minnie many happy returns of the day.

FACTS ABOUT NEW THEORY SECURED BY INTERVIEWS

People Tell the Reason for Their Faith in Cooper's Belief.

An article from the Nashville, Tenn., Banner, published during L. T. Cooper's visit to that city, throws some light on the remarkable success of the young man's theories and medicines in various cities visited by him during the past year. The article is as follows:

"In view of the enormous sale of Cooper's preparations now going on in this city and the intense interest which Mr. Cooper has stirred up since his arrival, a representative of the Banner spent Thursday afternoon at the young man's headquarters, watching the swarm of humanity come and go.

"During the afternoon the reporter interviewed many of the callers and obtained statements from all who cared to give them as to their experience with Cooper and his preparations.

"The following are selected from these statements as being typical of the general expression of the people seen:

"Mr. B. B. Lasater, living at 1224 North Fourth avenue, when interviewed, said: 'I have been troubled with my stomach for the past two years, and have had rheumatism for more than five years. Sometimes I could not walk, and there were times when I could not even move in bed. Hard knots would form on my muscles, which caused me intense pain. Gas formed on my stomach after eating, which gave me much pain and distress, and often I was restless and tossed all night, losing much sleep and rest.

"Hearing of Mr. Cooper and the great work his medicine was accom-

plishing for others, I decided to try it. I have taken it about two weeks, and find myself in a greatly improved condition. My stomach is in good shape, and does not trouble me at all. My rheumatism has nearly disappeared, and I expect to resume work shortly, for the first time in twelve months. Mr. Cooper certainly has a wonderful medicine, and I am grateful for what it has done for me.

"Another caller was Mrs. T. J. Smith, of 505 Hudson street. She said: 'I have been a sufferer from bladder and kidney trouble for twenty-five years. In that time I have tried many prescriptions and various kinds of medicine, but received little or no benefit from them. I seldom had a sound night's sleep, my rest being broken at intervals throughout the night. I had pains in my back and burning sensations.

"I heard so much of Mr. Cooper that I came to the conclusion he might be able to afford me some relief. I have now been taking the medicine about a week, and feel better in every way. The pain has disappeared, and I have no distress whatever. I have come here today to express my appreciation to Mr. Cooper for his wonderful medicine and what it has done in my case. I will take pleasure in recommending it to others.

"In spite of assertions by various physicians that Cooper is a fad who will soon die out, the young man seems to be gaining even greater headway as his visit draws to a close.

The agency for Cooper's celebrated medicines has been given to us. We are making a fine record with them.

LAST THOUGHT OF VIOLIN.

Dayton, Jan. 10.—"The world is growing old to me. I no longer share its pleasures but reap its sorrows beyond all measure. Someone take care of my violin. It is a good friend. God forgive me." This is the message left by Peter Lutz, an old soldier, who committed suicide by

drinking laudanum and whose body was found in a room over a saloon.

"Suffered day and night the torment of itching piles. Nothing helped me until I used Doan's Ointment. It cured me permanently."—Hon. John R. Garrett, Mayor, Girard, Ala.

FREE OF MURDER CHARGE.

Maricetta, Jan. 10.—Joshua I. Powell of this city last evening was acquitted of the murder of Gertrude Brown, a hotel waitress at St. Mary's. W. V. Powell owned a hotel and the Brown girl was employed by him. She died last summer after undergoing an operation. Dr. Charles Smith

of this city, and Powell were jointly indicted for the crime.

F. S. YOUSE

PASSES INTO GREAT BEYOND ON
FRIDAY AFTER SEVEN
WEEKS' ILLNESS.

Was One of City's Highly Respected
Citizens and Organized "Solid,
Four" Orchestra.

Mr. Ferdinand S. Youse, one of the best known and most highly respected residents of Newark is dead. Shortly before Thanksgiving he sustained a stroke of paralysis and since that time has been suffering with a complication of diseases, culminating in another stroke of paralysis Thursday morning, and was the immediate cause of his death which occurred at his home, 34 Jefferson street, at 9:07 o'clock Friday morning. At the time all the members of his family were at his bedside. Mr. Youse was conscious until within a short time of the end. He recognized the members of his family until the last hour, when he slept peacefully away.

The deceased was a son of the late Simon Youse, who, in his time was a prominent citizen of Newark, and was born in this city on January 21, 1852. When quite young he enlisted in the United States army, serving about two and a half years. After his discharge he returned to Newark and entered the grocery store of Mr. Thomas H. Sites, as a salesman, remaining for a period of over 30 years, commanding the confidence and esteem of all with whom he was associated. Thirty-three years ago he was married to Miss Emma Warner, an estimable young woman of Mt. Vernon, and to this union six children were born, all of whom are living with the exception of one. The surviving children are Mrs. Eckstorm, wife of Dr. J. C. B. Eckstorm of Columbus, Charles W., of this city, William G., of Sandusky, Clifford D., and Frederick G., of this city.

The deceased, with Frank Loar, organized the former well known and popular orchestra, "The Solid Four," which for 25 years furnished the music for all the swell dances and social functions of this city, and whose services were also in great demand in many of the neighboring cities. The orchestra was composed of Messrs. Ferd Youse, Frank Loar, Charles Faro and Grant McPherson and on special occasions Philip Baker and John McPherson were added to it.

The deceased was a great admirer of Isaac Walton, and for a great many years scarcely a week passed by but that he would devote at least one day to angling, either along the romantic Licking or at Buckeye Lake where he was well known by every fisherman on the big pond.

Mr. Youse grew up with Newark and to Newark he was as sincerely devoted as a mother to her child. Always honest and upright in his dealings he won his way into the hearts of all.

The funeral services will be held Sunday afternoon at 2 o'clock, standard time at the family residence on Jefferson street, conducted by the Rev. Mr. Bennett, pastor of the Pitt street Baptist church, and the interment will be made in Cedar Hill cemetery.

ASYLUM INSTEAD OF PRISON.

Jackson, Jan. 10.—Henry Crabtree, of Wellston, was yesterday adjudged insane and committed to the Athens state hospital. He attempted to break into Tom Washam's store in this city a few weeks ago and when he was arraigned for trial a plea of insanity was brought forth.

JUG RUN.

A pleasant surprise was given at the home of Mr. and Mrs. George Dugan for their children Clarence, William and Velma on January 1. About 7 o'clock the guests began to arrive—about twenty-six in number—and found Mr. Clarence in bed suffering greatly from the loss of sleep, as he, like many other boys do, had watched the old year out and the new one in. The surprise was complete, and Clarence did not rally while the guests were present. At 10 o'clock a jug was served to the following: Mrs. Blanche Vanwinkle, Flora Rinehart, May Thomas, Otto Oxley, Jen-
